TERMS AND CONDITIONS

If accepted as an entertainer you and/or your group MUST agree to the following Terms and conditions:

- The number of applications the City of Las Vegas receives for entertainment exceeds the number of entertainment acts that the City can support per budgetary availability and other factors. The City of Las Vegas, through its selection process, will determine what entertainers will be selected in the best interest of the Las Vegas Fiestas event. Applicant understands they may **not** be selected to play and will be notified if selected to perform or not perform.
- All decisions regarding selection of entertainers are final. The City will be responsible for developing the schedule of events and reserves the right to amend the schedule as needed. The City will **not** allow applicants to dictate any preferred days or performance times. However, the City will make every effort to consider certain factors. Performance date and time are solely at the discretion of the City of Las Vegas.
- The City of Las Vegas designated staff will provide all selected entertainers with a negotiated amount of payment for services based on budget availability. Previous amounts paid to a past performer **do not** set the performance rate for the 2022 4th of July Fiestas or any other subsequent Fiestas thereafter.

- The City of Las Vegas will issue payment to Performer/entertainer following their performance. The designated Fiestas Staff will direct you to the Police Department Dispatch area for payment across the street from the Plaza Park.
- The Performer shall perform music and/or entertainment for a minimum of 85% of their scheduled duration under this contract. Excessive idle talk and tuning of instruments should be kept to a minimum and does not constitute performance time. Performer and its members agree to be present with their instruments and equipment staged and ready in the designated area a minimum one-half (1/2) hour before their scheduled performance.
- The Performer (s) and/or members of their group may promote their performance at the 2022 Las Vegas Fiestas utilizing but not limited to, their website, Facebook, or other social media. Promotion shall be limited **only** to the performance date and time at the Historic Plaza Park for Las Vegas 4th of July Fiestas. While the Performer is not required to promote their performance using paid media outlets, it is acceptable and encouraged.
- Performer and members of their group shall dress appropriately and abstain from expressing profanity in lyrics, and/or dialogue. Any performer or members of a group demonstrating inappropriate behavior will be asked to leave the PlazaPark.
The City of Las Vegas reserves the right to cancel any and all performances scheduled if it is in the best interest of the public.
- The 4th of July Fiestas is an alcohol-free event and performers shall not consume alcohol on or near the Plaza Park prior to or during their scheduled performance. If the City of Las Vegas staff or law enforcement deems any performer to be intoxicated, said performer will be excluded from performance and remaining performers will be asked to fulfill their performance obligation. If the show cannot continue, the rest of the Performance will be cancelled **and payment will be denied.**
- Should Performer fail to appear for their scheduled performance, the Performer shall be liable to the City of Las Vegas for the amount the Performer would have been compensated as liquidated damages.
- The City of Las Vegas shall provide the Performer with electricity and electrical hook-ups, a sound system complete with microphones, microphone stands, backline, monitors, guitar and bass amps, front line equipment, and drum set. This equipment must be used by all Performers requiring a drum set and the equipment shall be used for the entire duration of the Fiestas.
- The Performer must provide their own personal musical instruments, equipment, and all cords and hook-ups needed for their performance, including back-up music such as CDs, IPAD, thumb drive, drumsticks, and any other items needed for their performance. Bands may bring their own drum snare for their performance if needed.

- The City of Las Vegas and the sound equipment company have full discretion on use and operation of the sound equipment should wet, unsafe weather conditions, and/or potential damage to the equipment become a factor prior to or during a performance.
- The Performer shall be held fully responsible for negligent damage to any equipment provided for use by the City of Las Vegas and shall be liable to the sound equipment company providing such equipment and shall hold harmless the City of Las Vegas and its contractors.
- Should inclement weather arise causing a disruption in the performance schedule, Performers shall remain present and available for a rescheduled time and shall perform for the duration of time as contracted. However, should the 4th of July Fiestas deem that the performance cannot be rescheduled, the Performer will be paid in full as if the performance actually took place.
- The City of Las Vegas reserves the right to revise the entertainment schedule if the need should arise and will notify the Performer as soon as possible prior to the scheduled performance.
- It is hereby agreed and understood that the City of Las Vegas and Staff or contractors of the 4th of July Fiestas are not responsible for any damage directly or indirectly caused to any personal equipment belonging to the Performer or its members including any items lost or stolen.
- It is hereby agreed and understood that decisions of the City of Las Vegas Staff are final.
- The City of Las Vegas reserves all rights to the 4th of July Fiestas event, including the event performances.
- Note:** The City of Las Vegas will mail contracts and W9 forms to those selected as entertainers for the 4th of July Fiestas. (W9 forms are required from all entertainers and must be returned to the City, along with a signed contract, no later than June 17th).

IMPORTANT!

To those who are selected to perform, please remember to bring your own drumsticks/musical instruments.
