(Show both length and width and record information in space provided; use an additional sheet if needed.)

Las Vegas, New Mexico 4th of July Fiestas

If accepted as a vendor, you and/or your group **MUST** agree to the following terms and conditions:

GENERAL VENDOR TERMS & CONDITIONS (PLEASE READ THOROUGHLY)

1. The term of this agreement shall be for a period of five (5) days commencing on Thursday June 30, 2022 through Monday, July 4, 2022.
2. Construction/setup of booths will commence at approximately 6-10 PM on Thursday, June 30, 2022 (staging on Bridge Street).
3. All vendors should be in place and ready for operation by 9:00AM on Friday, July 1, 2022. All vendors shall cease operation by 9:00 PM on Monday, July 4, 2022, and booths MUST be removed and dismantled by 11:00 PM Monday, July 4, 2022.
4. Vendors who have not wholly dismantled and removed their booths as required **SHALL** be subject to additional assessments to cover costs incurred by the City in completion of the work tasks associated with said restoration directly attributable to said vendor. These assessments shall cover additional costs or expenses incurred by the City caused by vendor's failure to comply and may include, but are not limited to regular and overtime City staff salaries; equipment costs; and any and all other expenses incurred by the City, (including costs associated with private providers or other governmental entities).
5. All rules and regulations stated in this application (**see additional vendor requirements**) as set forth by the City Fire Marshal(s), Chief of Police and City of Las Vegas or their designees shall be abided by all vendor participants during the 4th of July Fiestas.
6. The vendor is expected to deal honestly and fairly with the public. **ALL prices** including applicable credit card fees must be visibly posted for all paying customers. Any attempt to defraud or misrepresent the public will be considered sufficient cause for revocation of the privilege to sell at the 4th of July Fiestas.
7. The following sale items will not be accepted at the 4th of July Fiestas; silly string, drug paraphernalia or any device that can be used as such, weapons, toys appearing as weapons (including any that launch projectiles), gang attire or product with affiliation, play cigarettes, stink bombs, fireworks (including poppers and snakes), or other items determined to be unsafe or a nuisance to the public. If, at the discretion of the Police Department, a booth is in possession of such items, the vendor will be asked to cease the sale of these items. Refusal to do so may result in the confiscation of the items and/or closure of the booth. All merchandise **MUST** stay behind the sidewalk curb.
8. No bounce houses, jumpers or inflatables are allowed due to safety concerns as they are not covered by the City of Las Vegas insurance carrier.
9. **VENDORS ARE NOT GUARANTEED THE SAME SPACE EACH YEAR.** The City of Las Vegas Fiesta Committee reserves the right to assign vendor spaces based on what the City deems to be safe and in the best interest of the 4th of July Fiestas.
10. **NO PARKED VEHICLES WILL BE ALLOWED BEHIND BOOTHS. The City of Las Vegas will strictly enforce this provision.**
11. Vendor agrees that in the event that all or any portion of the activities of the 4th of July Fiestas are cancelled or postponed up on the advice or order of civil authorities, and if in the opinion of the City of Las Vegas, and such cancellation or postponement justifies or

dictates the closing of any booth or booths, said booths may be closed by the City of Las Vegas without any liability for any damage or loss incurred by the vendor, thereby, and all sums paid to the City of Las Vegas here under shall remain the property of the City of Las Vegas.

12. Gross receipts tax shall be paid to the City of Las Vegas (GRT rate is 8.395 %). Report All Fiestas Gross Receipt Tax Earnings in Las Vegas by the required dates for GRT Taxes.
13. The vendor agrees to defend, protect, indemnify and hold the City of Las Vegas, its employees and the 4th of July Las Vegas Fiestas Committee and its members harmless from any personal injury or property damage resulting from the 4th of July Fiestas.
14. Vendor space must be paid for in full no later than **Friday, May 6, 2022 at 3:00PM. NO EXCEPTIONS. Failure to pay all fees and acquire a business license will result in immediate loss of booth space.**
15. Vendors that have any outstanding balances with the City of Las Vegas will not be accepted for the 2022 Fiestas and must be paid in full prior to the 2022 call for vendors.
16. Vendor agrees that in the event that all or any portion of the activities of the 4th of July Fiestas are cancelled or postponed upon the advice or order of civil authorities, and if in the opinion of the City of Las Vegas, and such cancellation or postponement justifies or dictates the closing of any booth or booths, said booths may be closed by the City of Las Vegas without any liability for any damage or loss incurred by the vendor, thereby, and all sums paid to the City of Las Vegas here under shall remain the property of the City of Las Vegas.
17. Gross receipts tax shall be paid to the City of Las Vegas (GRT rate is 8.395%). Report All Fiestas Gross Receipt Tax Earnings in Las Vegas by the required dates for CRT Taxes.
18. The vendor agrees to defend, protect, indemnify and hold the City of Las Vegas, its employees and the 4th of July Las Vegas Fiestas Committee and its members harmless from any personal injury or property damage resulting from the 4th of July Fiestas.
19. Vendor space must be paid for in full no later than **Friday, May 6, 2022 at 3:00PM. NO EXCEPTIONS.**
20. Vendors that have any outstanding balances with the City of Las Vegas will not be accepted for the 2022 Fiestas and must be paid in full prior to the 2022 call for vendors.
21. Prior to operation, the local Fire Department shall inspect all booths. All booths are required to have, at a minimum a 5lb fire extinguisher. Food booths must have a Type K fire extinguisher and booths with a high fire load may be subject to additional requirements as determined by the local inspector. For additional information, please contact the Las Vegas Fire Department at 505-425-6321.
22. An LP State Inspector will be conducting inspections of all propane bottles. The State imposes a fee of \$15 to \$20 for the Inspection to be paid on site to the State Inspector.
23. **All food and treat vendors must contact the New Mexico Environmental Department at (505) 454-2800, prior to setup.**
24. Vendor agrees to the following sanitation procedures:

Maintain and keep clean of any debris the area around their space for the duration of the 4th of July Fiestas; at the conclusion of dismantling booth, vendor shall assure that the

entire space is left clean. Vendors are not to use rollout trash bins in Historic Plaza Park. Dumpsters will be located on the outskirts of the park for vendor use. A dumpster will be provided specifically for cardboard.

- 25. Grease pits and gray water tanks must be used; gray water and grease waste are not to be dumped in street drains (effluent water). (If this occurs, the vendor booth responsible will be shut down and will have to pay a \$300 fine).
- 26. Vendor agrees that any violation of these Terms and Conditions, or any other rules adopted by the 4th of July Fiestas shall cause a revocation of the privilege to sell at the 4th of July Fiestas and forfeiture of all fees, rights and privileges granted to the vendor in which case all sums paid become property of the City of Las Vegas.
- 27. By signing this document, the vendor acknowledges and agrees to all components of the 4th of July Fiestas Vendor Application and the Terms & Conditions.

I/We have read and understand the above Terms and Conditions and will comply in order to be a Vendor participant in the 2022 4th of July Fiestas

The information provided in the Application is true to the best of my knowledge and I/We have not knowingly submitted any false or misleading information.

I/We, _____, authorized representative (s)

- All vendors should be in place and ready for operation no later than **9:00AM on Friday, July1, 2022.** Vendors shall cease operations each night of the Fiestas by **10:00 PM beginning on Friday, July1, 2022** and booths must be removed and dismantled by **10:00 PM Monday, July 4, 2022.**

INSPECTIONS

- The local Fire Marshall shall inspect all booths prior to operation; food booths are subject to inspection by the New Mexico Environment Department. All food vendors should contact the New Mexico Environment Department at (505) 454-2800 prior to the Fiestas to obtain the necessary food permits.

- If vendor desires space behind their booth (storage etc.) that exceeds what the City/Fire Department considers to be reasonable and/or safe, additional fees or removal may apply.
- **An LP State Inspector will be conducting inspections on all propane bottles.**

FOOD BOOTH REQUIREMENTS

1. GENERAL SAFETY

- A. **Type K Fire Extinguisher** with a current inspection tag. Extinguisher shall be mounted in a visible and accessible location. All attendants should be familiar with its operation.
- B. **First-Aid Kit**-A net (8) unit First-Aid kit shall be provided
- C. **Fire Blanket**- Close weaves wool or cotton blanket shall be available at all times. Synthetic fabrics will not be allowed.
- D. **Assigned Number** Shall be prominently displayed at all times.
- E. **Booth Construction**-
 - Shall be upright in a safe and sound manner
 - Roof/ceiling shall be of a non-combustible material- i.e. corrugated metal or sheet rock.
 - Side walls shall be of plywood (minimum ½") with 2x4 studs.
 - Doors and/or other openings shall be protected with wire mesh. Plastics or other combustible materials **shall not** be used.
 - Serving counters or rails must be splinter/snag free.
- F. **Fire Hydrant**- There will be no booths of any kind or other obstruction within 15 feet of a fire hydrant.
- G. **Appliances**-
 - All appliances used in food booths must have an accessible shut-off valve near the appliance that can be easily closed in case of an emergency.
 - Only appliances that are leak free and approved for the use of LP gas shall be used.

2. BUTANE AND OTHER GAS CONTAINERS

All containers must be approved LP Gas Containers.

A. Filling of LP gas containers on site shall not be allowed. Containers must be taken to an LP gas distributor company to be re filled

All containers must be located outside the booth, building or enclosure with a minimal distance of 10 feet away. (IF C 2003-2004.16.2.2) Safety release valve shall be pointed away from tent canopy, or membrane structure.

B. LP containers must be secured in position (usually in an upright position) so that vapor only will be present at the vapor service valve. These cured container device such as a chain must be able to support the weight of the container plus the containers contents (securely anchored so as to prevent accidental tipping over).

Any DOT cylinder for LP gas must be marked with their qualification dates (s) if the container is more than twelve (12) years old. There shall be a slip or tag indicating bottles and appliances that have been inspected by a licensed and certified LP gas distributor.

i. All containers must be leak free.

Any LP gas containers showing excessive rust, corrosion, pitting or denting shall not be used. The bottom of each container shall be checked for these conditions.

All portable DOT cylinders must have a fixed "warning" label that includes information of the potential hazard of LP gas.

Outlets for all unused containers shall be capped or plugged. The vapor service valve must be sealed when the container is not in use.

When a container's water capacity is greater than 239 pounds (25gallons), an LP gas permit must be obtained before using such a container.

C. Hoses

- The only hoses that shall be used are those approved for use with LP gas.
- The hose end coupling must be installed as recommended by the hose manufacturer. (An automotive screw type clamp installed on the end of the hose is unacceptable.)
- All hoses must be leak free.
- All hoses must be kept out of the way of foot and vehicular traffic.

Leak Test

A leak test shall be performed each day before the food booth is opened for business, anytime a cylinder is exchanged and anytime the LP gas system is modified.

All butane/propane bottles and connections shall be inspected for leaks by the City of Las Vegas Fire Department or the State of New Mexico LP Inspector.

The entire system must be free of leaks.

Soap (without ammonia) mixed with water or a combustion gas handheld electric leak detector can be used for detections.

City of Las Vegas Fire Department
Food Booth Requirements

1. Stove Areas

- A. All cooking appliances shall be kept clean and free of excess grease at all times. A non-flammable backing (sheet metal) shall be provided behind each cooking stove. Backing shall extend 10 inches beyond the cooking side area and 36 inches above the cooking area. There shall be a 9 inch clearance from the cooking surface to any combustible material. (NFPA 96-4.2.3.1) and 16 inches clearance between grease fryers and open flames.

2. Fuel Storage

- A. Booths using Coleman-type stoves shall provide metal storage containers for extra fuel cans, not to exceed 6 (six) gallons.

3. Charcoal

- A. Vendors using charcoal will provide a suitable hood and chimney. All combustible materials shall be kept away from food and chimney flutes.

4. Metal Trash Cans

- A. Metal trash cans with tight fitting lids must be provided for use outside the booth. Cans shall be lined with plastic bags and emptied as required. Cans outside the booth for use by the public shall meet the same requirements.

5. Housekeeping

- A. It will be the duty of the booth operator to maintain the area on a continuing basis and see that the area adjacent to the booth is kept clean and neat at all times.
- B. Hoods, grease removal devices, fans, ducts and other accessories shall be cleaned on a daily basis.

6. Exits

- A. All exits shall be kept free and clear of any obstructions at all times.

7. Safe Electrical Use

- A. The City of Las Vegas Fire Department and/or electrical inspector shall inspect all electrical wiring.
- B. **Electrical Extension Cords-** Must be provided by the vendor and must be heavy duty.

8. Lighting

- A. Fluorescent lights shall be provided with a shatter-proof cover or shatter-proof sleeves. Incandescent light bulbs shall be of the shatter-proof type.
